

Krono Original Organic Clever Silent – PerfectPad® Eco Waterproof O.R.C.A. Board Flooring

Clever Silent Eco by KronoOriginal is a high-performance laminate flooring designed for modern, sustainable living. Built with O.R.C.A. waterproof technology, it combines natural wood-based materials with advanced moisture resistance, offering up to 100 hours of spill protection.

At just 7 mm thick, it features an integrated eco pad for quiet comfort underfoot, while maintaining strong durability (AC5 rating) suitable for both residential and commercial spaces.

Engineered for everyday practicality, it delivers easy installation, scratch resistance, antibacterial properties, and a stylish, authentic wood look—all in a lightweight, environmentally conscious solution.

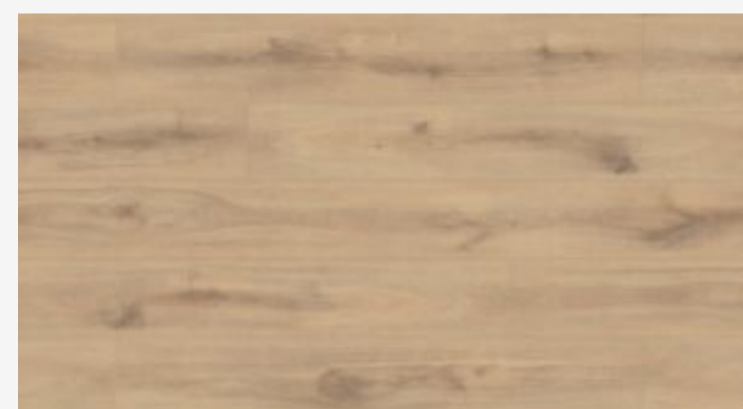

100% Made in Germany

The 4-sided V-groove design adds an authentic, elegant look, while the advanced 1clíc 2go pure+ system ensures easy and secure installation. With O.R.C.A. technology, the flooring is waterproof, offering up to 100 hours of spill protection without compromising on longevity. Available in a selection of sophisticated natural wood decors, the Organic Clever Silent Collection is perfect for those seeking both style and practicality, with the added benefit of noise reduction, making it ideal for multi-story living and work environments.

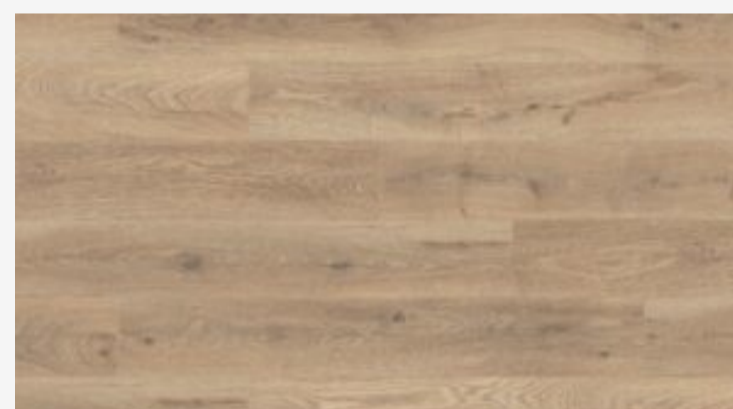

The moisture-resistant PerfectPad® Eco consists of organic cellulose made from wood fibers. It is pressure-stable, suitable for underfloor heating, recyclable and environmentally friendly. With a walking noise reduction of 32 %, the integrated insulation brings peace to your room.
